

ASHWIN A A

Full Stack Developer

ashwinaa1006@gmail.com | +91 90808 82030 | Coimbatore, Tamil Nadu | [linkedin.com/in/ashwinaa10](#) | [github.com/AshwinAA10](#) | [ashwinaa.vercel.app](#)

PROFESSIONAL SUMMARY

Aspiring Full Stack Developer pursuing a B.Sc. in Computer Science (Bharathiar University, 2026). Hands-on experience building responsive web and mobile applications with React.js, Node.js, Express.js, and MongoDB. Proven ability to deliver end-to-end projects — from UI architecture to REST API integration — with a focus on clean code, performance, and user-centric design.

EDUCATION

Bachelor of Science in Computer Science

Bharathiar University, Coimbatore

2023 – 2026

CGPA: 7.2 / 10

TECHNICAL SKILLS

Languages	C, C++, Python, Java, JavaScript, SQL
Frontend	React.js, HTML5, CSS3, Responsive Design, Framer Motion
Backend	Node.js, Express.js, REST APIs

PROJECTS

StoreMind – Inventory Management System

React.js ·
JavaScript

- Developed a full-featured inventory platform with stock monitoring, supplier management, and analytics dashboards during Industrial Exposure Training at Seasana Industries.
- Centralised inventory data into a single dashboard, improving organisation and operational accessibility.

MovieMate AI – AI-Powered Movie Assistant

React.js ·
Express.js

- Built a conversational AI platform for movie discovery with personalised recommendations and sentiment analysis.
- Delivered a fully responsive interface optimised for both desktop and mobile viewports.

World of Surya – Movie Streaming Platform

React.js · Framer
Motion

- Engineered a responsive streaming platform with premium membership flow and polished Framer Motion animations.
- Focused on performance optimisation and engaging UX for entertainment content browsing.

MediAlert – Healthcare Mobile Application

React Native

- Delivered a mobile app with real-time emergency alerts and intuitive UI to improve medical information accessibility.

Pathfinding Visualizer

HTML · CSS ·
JavaScript

- Created an interactive tool visualising graph traversal and shortest-path algorithms in real time for educational use.

WORK EXPERIENCE

Industrial Exposure Trainee

Jun 2024 · 1
month

Seasana Industries, Coimbatore

- Developed and documented web-based solutions for internal company operations.
- Collaborated with the Design & Drafting department; gained exposure to AutoCAD-based workflows.
- Participated in website planning and frontend development activities.

CERTIFICATIONS

- Multiple Coursera Certifications – Web Development & Programming tracks
- NPTEL Certification
- ICT Learnathon 2024 – 8 Completed Courses

SOFT SKILLS

Problem Solving · Team Collaboration · Communication · Adaptability · Time Management · Continuous Learning
